

SCRIPT: Hi, my name is _____ and I'm a **[parent/neighbor/grandparent/teacher/etc.]** of a student in Tennessee's **[County/City]** public school system.

I encourage you to remove your sponsorship on SB0503. School boards in your district have already passed resolutions opposing the expansion of vouchers, and I want you to listen to them. SB0503 is a voucher scam that will ultimately harm our public schools and financially devastate Tennessee. Our tax dollars should fund our public schools, not universal voucher programs that benefit for-profit private schools.

Your sponsorship endorses a program that would hurt our schools. I want **[my child and]** every child in Tennessee to have a chance to succeed through strong public schools. I am asking you to support our schools by removing your sponsorship on SB0503.

House Finance, Ways, & Means Committee Call Script

SCRIPT: Hi, my name is _____ and I'm a **[parent/neighbor/grandparent/teacher/etc.]** of a student in Tennessee's **[County]** public school system.

I encourage you to vote no on HB1183. I believe the incentives for public schools included in the House bill should be considered separately from the universal voucher proposal. It is unfair to attach incentives to a voucher scam that will ultimately harm our public schools and financially devastate Tennessee. Tennessee students, teachers, and schools deserve better. Our tax dollars should fund our public schools, not universal voucher programs that benefit for-profit private schools.

I want **[my child and]** every child in Tennessee to have a chance to succeed through strong public schools. I am asking you to support our schools and say no to HB1183. Please do not keep pushing this issue along.
