ADAM BRIGHT - DISTRICT ACTIVITIES DIRECTOR AND ASSISTANT PRINCIPAL BVHS

Adam Bright will serve as our new District Activities Director and will fill Assistant Principal duties at BVHS. Adam comes with years of experience as an activities director in Durango and North Park – both small/medium sized districts in Colorado. He has also coached football in Texas and prior to that worked in finance and with an MLB team in operations.

Most recently, he served as an Associate Commissioner for CHSAA. Adam and his family are choosing BV among many options. They desire to settle in a small Colorado community to raise their son and be part of creating an excellent culture for students. Adam looks forward to building pride in our schools, bringing our community together around our students, and fostering character, integrity, and humility in our students participating in activities. Be ready to rally around our students with the return of old traditions and the beginning of new ones.
