

Privacy Policy for Let's Pack!

Last Updated: Jun. 27, 2026

1. Introduction

We (Holding and Capital) value your privacy. This Privacy Policy explains how we collect, use, and share information when you play our game "Let's Pack!". By using the Service, you agree to the collection and use of information in accordance with this policy.

2. Information Collection and Use

Our game is designed to be a casual experience. We do not require you to create an account or provide personal information like your name or email address to play. However, we may collect certain non-personal information automatically:

* **Device Information:** Including device model, operating system version, and unique device identifiers.

* **Usage Data:** Gameplay statistics, progress, and crash reports to help us improve the game.

* **Advertising ID:** We use Google Advertising ID to provide personalized ads and analyze ad performance.

3. Third-Party Services

We may use third-party companies (such as Google AdMob or Unity Ads) to facilitate our service and provide advertisements. These third parties may access your device's Advertising ID to show relevant ads. We encourage you to review their privacy policies:

4. Children's Privacy

Our game is intended for a general audience. We do not knowingly collect personally identifiable information from children under 13. If you are a parent or guardian and you are aware that your child has provided us with personal data, please contact us so we can take necessary actions.

5. Data Security & Deletion

We use standard security measures to protect your data. Since we do not store personal account data on our own servers, data like Advertising IDs is managed according to Google's standard retention policies. You can reset your Advertising ID in your Android device settings at any time.

6. Changes to This Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
