

**South Christian High School
Non-Agency International Students
2026-2027**

In addition to following the SCHS International Student Policy, please note the following points as a non-agency student and host parent.

Communicate with student's biological parent(s) in the following areas

- Make sure the student has all legal documents for traveling to the United States (I-20, Visa, and passport).
- Assist biological parents with setting up an account to pay the SCHS tuition (Maelia Post, Business Manager, mpost@schs.org).
- Have a student's medical chart current for starting in the fall.
- Have a permission signed paper from the legal parent that authorizes you to provide medical treatment if needed for the student.
- Set up health insurance for the student. Can contact Rod DeJager from Partners in Learning (rod@partnersinlearning.org) as a resource.
- Communicate with the student's biological parents for tracking their grades
- Communicate with the student's biological parents for any behavior issue.
- Be aware of SCHS communication for parents regarding school calendar, grading, conferences and other relevant information.

Support the student in the following areas

- Assist the student in taking college entrance exams (SAT, ACT, TOEFL)
- Assist the student in planning for post secondary education by helping with the application process
- Keep track of student's grades through PowerSchool.
- Communicate with teachers as needed for student's academic success
- Allow students to be involved in extracurricular activities for social connections
