

Join us this Friday, March 14, as we print XR t-shirts and learn protest songs for future actions.

Friday, March 14 - 6:30-8:30pm

Wildflower Church - 1314 E. Oltorf St. Austin TX

Community Room (look for the signs)

We'll have a selection of Extinction Symbols and other XR designs for linocut and screen printing. We'll also have some spare shirts, but you may want to bring your own to be sure you get a size you like. One goal for the meeting is to create matching black shirts, so bring black if you've got it, but it's OK if you have something else in mind, of course.

Below are some upcoming actions and opportunities to get involved. We can't make it to all of them, but if you'd like to meet up with us at any of these events, reach out to us by [email](#).

XR Austin is the Austin chapter of Extinction Rebellion, a decentralized, international, and politically non-partisan movement using non-violent direct action, civil resistance, and civil disobedience to persuade governments, media, corporations, and the elite to tell the truth, take immediate action, go beyond politics, and support a just transition to address the climate emergency.
