Dear {{{Recipient.FirstName}}},

Join the \$100-billion golf industry with over 2 million jobs.

The PGA of America would love to help you build a rewarding career that will last a lifetime and allow you to grow and work in the sport you love.

With PGA of America Membership, you will have access to:

- Tournament opportunities at local and national stages
- Exclusive roles in the golf industry (i.e. General Manager, Head Golf Professional, Director of Golf, etc.)
- Continued education and skill development opportunities
- Network with the 30,000 PGA Member Professionals
- Complimentary services provided by the PGA of America Career Services Department (career development, job search and resume assistance, mock interviews, and more.)

To attain PGA Membership, every individual must complete the PGA Professional Golf Management (PGM) Program. The program will increase your expertise in the golf industry for one of three areas: Executive Management, Golf Operations, or Teaching & Coaching.

To enroll in the PGA PGM Program, you have three options:

1. [Associate Program](#) Option (most common)
 - This self-paced program is mostly online and (on average) takes around 4 years to complete.
2. [Affiliate Program](#) Option
 - A way for you to complete Level 1 of the PGM Program, keep your amateur playing status, and postpone the Playing Ability Test (PAT) requirement and/or

Eligible Employment requirement. *After Level 1 you will be required to switch to the Associate Program for Levels 2 & 3.*

3. [University Program](#)

- Enroll in one of the 18 partnering Universities/Colleges to attain a four-year college degree and PGA Membership.

Your PGA Membership applies nationally, and all program options teach the same content.
