Thank you! How can I help you?

You

at 17:41, Aug 18:

I have a question about your challenge exams.

You

at 17:42, Aug 18:

Can you just take the exams or do you have to sign up for the class?

Rep.

at 17:42, Aug 18:

You have to enrolled at Strayer to take the exams

Rep.

at 17:42, Aug 18:

Does that answer your question?

You

at 17:42, Aug 18:

Okay. So if I enroll, can I just start taking exams.

Rep.

at 17:43, Aug 18:

Well you have to take classes with us too and then you can look at taking exams.

You

at 17:43, Aug 18:

That is fine. How many do I have to take?

Rep.

at 17:44, Aug 18:

Well are you looking to use financial aid to pay for school?

You

at 17:44, Aug 18:

No.

Rep.

at 17:44, Aug 18:

How were you planning on paying for school?

You

at 17:45, Aug 18:

Out of pocket.

Rep.

at 17:45, Aug 18:

Okay so then you would need to at least take one class with us a quarter and our normal undergraduate class is \$1435/class

You

at 17:45, Aug 18:

So you have to take one class to take an exam.

Rep.

at 17:47, Aug 18:

You need to be enrolled with us which involves taking a class with us in order to take the exam.

You

at 17:48, Aug 18:

I don't have a problem with taking classes. I take a lot of online classes.

You

at 17:48, Aug 18:

But I couldn't just apply and then start taking exams.

You

at 17:48, Aug 18:

I would probably take a lot of them.

Rep.

at 17:48, Aug 18:

No you can not.

You

at 17:49, Aug 18:

Do you have any inexpensive one credit classes that would meet the requirement?

Rep.

at 17:49, Aug 18:

What is your end goal?

You

at 17:49, Aug 18:

I like the selection of exams that you have in computer science and business.

Rep.

at 17:49, Aug 18:

No we do not.

Rep.

at 17:50, Aug 18:

I would maybe look at straighterline.com

You

at 17:50, Aug 18:

I have a bachelors degree and masters

Rep.

at 17:50, Aug 18:

if you are looking just to test out of classes

You

at 17:50, Aug 18:

I already do this.

Rep.

at 17:50, Aug 18:

That's great you have your Master's so what is the reason you want to just test out of exams?

You

I take Saylor exams and.

You

at 17:51, Aug 18:

I am an English and econ. teacher. I need credits for certification purposes and I like learning.

You

at 17:51, Aug 18:

I also write grants so that other teachers can take classes, too.

Rep.

at 17:52, Aug 18:

at 17:52, Aug 18:

Nice I would highly advise looking at straighterline that would be more of a better fit for what you are looking for

You

I like straighterline, but what are the minimum requirements to take an exam at strayer?

Rep.

at 17:53, Aug 18:

at 17:52, Aug 18:

You have to be enrolled in classes with us.

Rep.

at 17:53, Aug 18:

That is the requirement

You

Okay. I think that this could be very cool.

You

at 17:54, Aug 18:

Do you need to be enrolled in the class to take the exam in the class?

You

at 17:54, Aug 18:

Or could you take one class and then take multiple exams?

Rep.

at 17:55, Aug 18:

at 17:55, Aug 18:

No you have to be continually taking classes with us to keep taking exams

You

I know.

You

at 17:55, Aug 18:

But let's say that you wanted to take five exams.

You

at 17:55, Aug 18:

Could you register for one class and then take the five exams?

Rep.

at 17:57, Aug 18:

at 17:56, Aug 18:

I would suggest talking to our student academics department to get more details about it at 844-727-4357 as they can better answer that question

You

at 17:58, Aug 18:

Okay. Thank you for your time. Have a great day!

Rep.

at 17:58, Aug 18:

You as well!
