ADMISSION PROCESS SY 2022-2023

Who May Apply for Admission

Anyone seeking admission to the medical school must have the following qualifications:

1. The applicant must be a holder of a bachelor's degree in sciences or the arts (AB/BS) conferred by a duly recognized higher educational institution. The degree/course must have been taken within a five-year period prior to the filing of application. A one semester refresher course is required of those who graduated beyond five years.
2. The applicant must have a score of **60%**tile or higher on the National Medical Admission Test (NMAT) taken not more than two (2) years from the time of admission (2020-2021). Kindly check NMAT website for details on exam schedules and requirements: cem-inc.org.ph/nmat

How to Apply for Admissions

STEP 1 - Medical Examination

Have the following tests done (Chest X-ray, Complete blood count (CBC), Urinalysis) and bring results (not more than 6 months old) with downloaded medical certificate form to a physician for consultation. Upload the physician's medical certificate together with the other admission requirements.
