

Name: _____

Part 1. Have a look at <http://www.howglobalwarmingworks.org/> and watch the shortest video (52 seconds) and the longest video (< 5 minutes). What do you think? Did you learn more from the longer video? What additional important information did the longer video provide?

Part 2. Please do a Google Images search on *greenhouse effect* and explore some of the diagrams and visual designs. Draw a diagram of the greenhouse effect that distinguishes between the natural and the human greenhouse effect. Annotate your diagram with text and include a caption.
