CUPPA JOE TOMORROW: Join us at the Marina Eddie Knox Pavilion at 10am tomorrow morning for a town hall discussion of community topics. Steve (Chief), Amy (GM), Rick (Maintenance Supervisor) and select board members will be present to answer questions. Coffee and donuts served. See you there!

THURSDAY, WATER WILL BE OFF FROM THORNWOOD BACK: York County Water Department just notified us that water along Hamilton's Ferry from Thornwood Road all the way back to South Point Beach (Blackberry, Five Oaks, Crowders Ridge, Sandy Cove, Old Stage Trail, Newriver Trace, King Haigler, Turtle Lane, Hamilton Woods Court, Tall Pines, Whispering Pines, Paradise Point, and sections of the Bluffs along Riverview Terrace and Greenridge) will be off for a couple of hours on Thursday to facilitate installation of a new fire hydrant on Thornwood Road that is leaking. We will send an eblast out as soon as they are onsite that day, but wanted you to have a heads up!

STORM CLEAN UP UPDATE: Maintenance has made it all the way around the neighborhood once! The crew has started over and will continue picking up the debris and has started leaf pick up as well. We thank you for all the kinds words of encouragement and patience as we tackle all that Mother Nature gave us.
