

My Harmony Portal, powered by Classlink, is a portal with one-stop access for all approved HPS digital resources. My Harmony Portal is a technology suite that reduces logins and provides access for **students** to all applications across all networks from any device.

Students will access the portal differently based on their grade level.

Students can access the following:

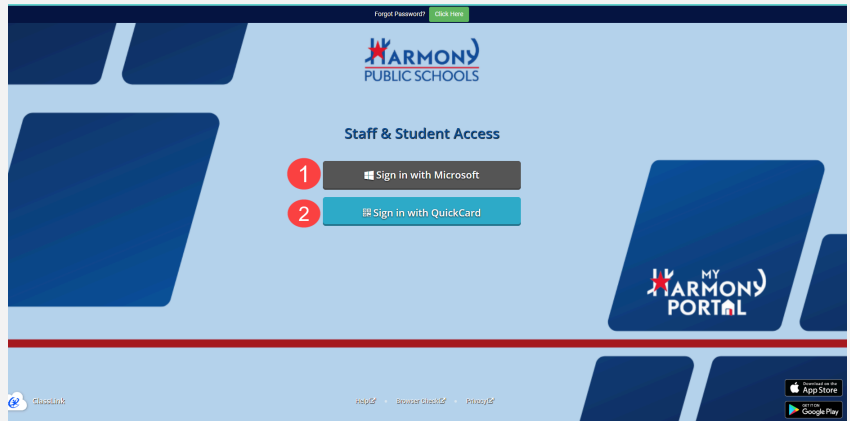

Student’s Harmony email	Skyward (Students grades and schedule)
Educational Software (based on the grade level)	Google Apps
Office 365 Apps	Campus Website

1. Website access

Go to www.my.harmonytexas.org

There are 2 ways to sign in to the portal:

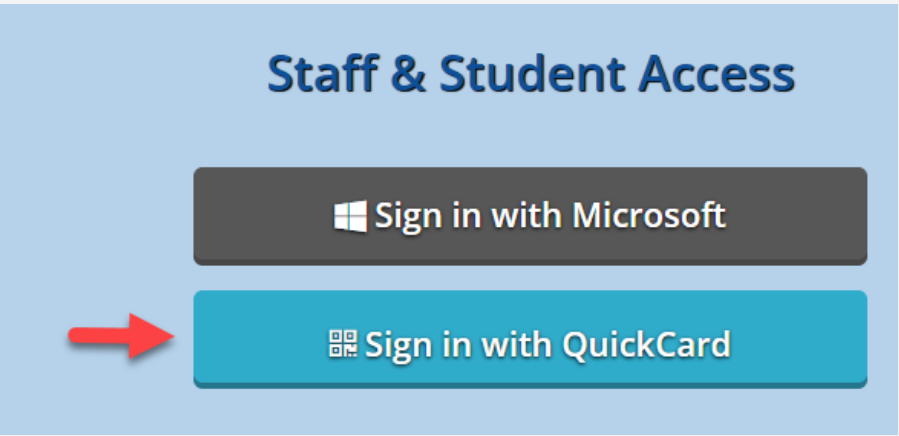

1. Sign in with Microsoft
2. Sign in with QuickCard (PK-2nd grade)

2. Sign in with Quick Cards (PreK to 2nd grade and special education students)

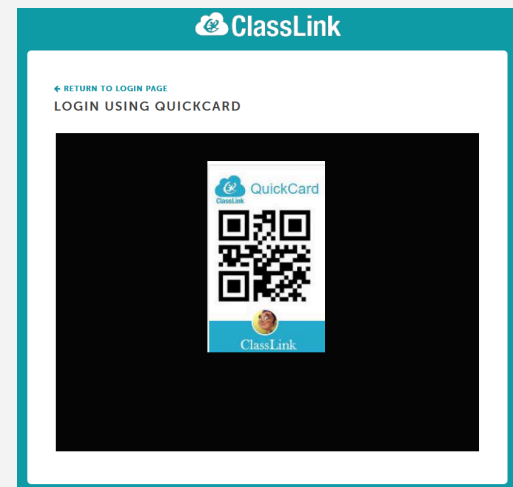

Click on sign in with QuickCards

QuickCards will be provided by any of the student’s teachers.

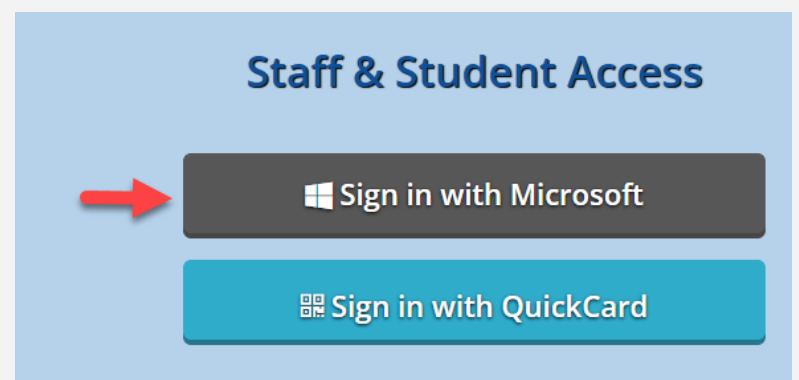

The camera will open. Place the Quick Card facing the camera, and wait until the portal load on the device.

If the camera on the device is not working, follow the steps for 3rd grade and up instructions below.

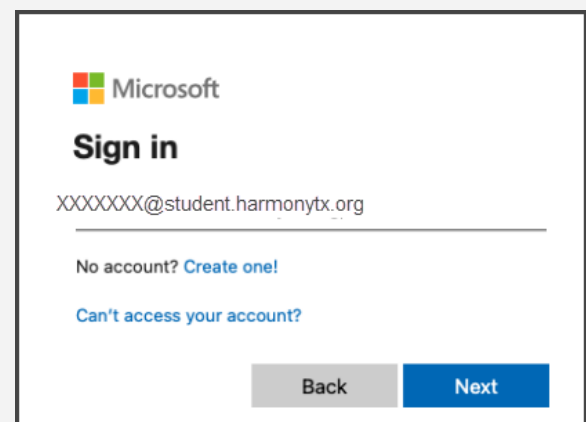

3. Sign in with Microsoft (Students in 3rd grade and up)

- Click on sign in with Microsoft

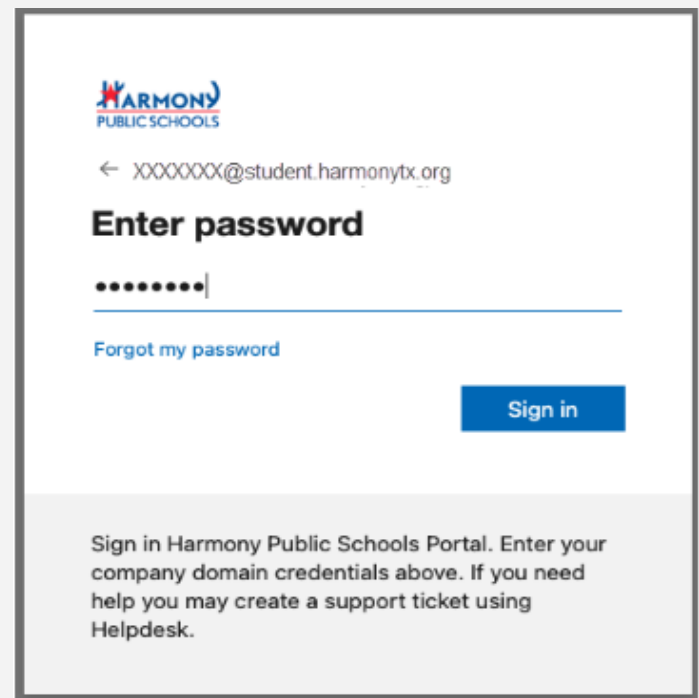

- The user name is the student's email address. Parents can find it on the *Student Profile page* in Skyward.

- Students 3rd and up will use the HpsMMDDYYYY only for the first time, and change to a personal password. If needed, students will retrieve the password using the security question set up when the account was activated.
- Note: if a student forgets the password, and can't retrieve it with their security question, the teacher must be contacted to have it reset.
- For PreK-2nd grade students, the password is HpsMMDDYYYY

Example: DOB: 04.17.2016: **Hps04172016**

The screenshot shows the login interface for the Student Portal. At the top left is the Harmony Public Schools logo. Below it is a back arrow and the email address XXXXXXX@student.harmonytexas.org. The main heading is "Enter password". Below this is a password input field with seven dots and a cursor. Underneath the field is a link that says "Forgot my password". To the right of the input field is a blue "Sign in" button. At the bottom of the form, there is a message: "Sign in Harmony Public Schools Portal. Enter your company domain credentials above. If you need help you may create a support ticket using Helpdesk."

4. Browser Extension

ClassLink requires that an extension be added to all devices. The browser will suggest that an extension be added, please proceed to install it.

Or find the link to manually add the extension below:
