

KDHSA Middle School Families,

I hope you are enjoying the weekend! As you may know, **LEAP 2025** is just around the corner. Tuesday through Friday of this week (3/26 - 3/29), all 5th - 8th grade students will be completing the LEAP practice simulation. This computer-based practice test (CBT) will be administered through the Data Recognition Corporation (DRC) INSIGHT testing platform.

Our Middle School students take LEAP practice tests in English Language Arts (ELA), mathematics, and social studies to help prepare them for the LEAP 2025 statewide tests administered later in the 4th Quarter.

LEAP practice tests allow students to:

- become familiar with the testing format
- practice using the online tools for computer-based tests
- respond to the types of questions they will answer on the LEAP 2025 tests

Please be aware of the following expectations:

- Students who opted to lease a Chromebook will need to bring their Chromebook to school fully charged each day.
- Students will need to bring their personal headphones to use while completing Literary Analysis Tasks (LAT) and Research Simulation Task (RST).

Click [here](#) to view the 5th - 8th grade adjusted schedule for this week.

Please be sure your child comes to school this week well rested and ready to learn. Monday marks the second week of the 4th quarter. We want each student to finish out the school year strong!

As always, thank you for your support!

Dr. Watson
Principal, KDHSA Middle School
