

Math Routines

Grade 6 to Grade 8

[Number Sense Routines](#) Henrico County Public Schools

- Organized by course (Course 1 is sixth grade, Course 2 is seventh grade, and Pre-Algebra is eighth grade.)
- Some slides for each routine are included.

[Same But Different](#)

- Warm-up Routine
- The routine has 5 steps with an optional 6th. There is a short video on the About page with a demonstration.

[More-Same-Less](#)

- Wide range of skills

[Between2Numbers](#)

- Supports calculations for a purpose

[Same Surface, Different Deep Structure](#)

- Scroll down and choose from the gold navigation buttons on the right.

[Clothesline Math](#)

- Multiple representations
- Ordering quantities, comparisons

[Youcubed: What Do You See?](#)

- Five types of talks:
 - Dot Talks
 - Number Talks
 - Shape Talks
 - Data Talks
 - Indigenous Maths Art

[Is It Plausible?](#)

- Supports estimation and understanding measurement units
- Specifics are from the United Kingdom, so you will have to revise.
