

Privacy Policy

Justin Ngan built the Invaders Retro app.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Invaders Retro unless otherwise defined in this Privacy Policy.

Information Collection and Use

No personal information is collected by this app.

Log Data

No log data is stored or collected without opt-in by you the user. Crashes are reported through Apple when you opt-in to share this with the developer.

Security

As this app does not store any personal information and as we do not store any score or achievement information, no encryption is used.

Links to Other Sites

This app does not link to any external sites.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to do necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
