Grades 9-12

Requesting Teacher – Susan Ward HHS

Twiddla is a no-setup, web-based meeting playground. Mark up websites, graphics, and photos, or start brainstorming on a blank canvas. Browse the web with your friends or make that conference call more productive than ever. No plug-ins, downloads, or firewall voodoo - it's all here, ready to go when you are. Browser-agnostic, user-friendly.

Upgraded features with pro account

Fields Required: None

Notes: This is another screen sharing account with chat and voice. It does have privacy features in the paid pro account which could be valuable for teachers sharing with class. The free version does not allow for privacy and websites created are available throughout the web. It should be considered and matched against Google Doc capabilities. The free account does not require registration. Due to lack of controls we can only approve this site for eLearning days. It will be unblocked as soon as we know we are closed and remain that way for the entire day.

Extra Permission Required. Approved for eLearning days only.
