- **Name: Prof. Dr _____, M.SC Ph.D.**

Department of Applied Mathematics

Fix your Professional Photograph

- **Teaching since_____**
- **Institutions served earlier with designations:**
- **Area of Specializations: _____**
- **Thrust Area of research_____**
- **Publications:**
  - **Research papers: International ___ national __**
  - **Authoring Books _____**
- **Scholarships Received**
  - **UGC Jr research**
  - **Awards [if any] Received:**
- **Ph.D. Guidance:**
  - **Already awarded Ph.D. [Mention the name of the university]**
  - **Presently guiding – [mention the number of students]**
- **Noticeable contribution to the academic administration**
- **Present activities with MAKAUT WB:**

- **Prof. Dr Tarit Kumar Majumder, M.SC Ph.D.**

Department of Applied Mathematics

- **Teaching since December1980**
- **Institution served**
- As WBES Lecturer in Mathematics at Krishnagar Government College [1
- As the Head, Department of Mathematics at Bengal Engineering Science University [Presently known as IIEST, Shibpur, Howrah, West Bengal] [1985-2000]
- As the Principal Acharya Jagadish Chandra Bose College, Kolkata [2000-2013]
- As the Senior Professor in Mody University of Science and Technology [2008- 2009]
- As founder principal, Techno Agartala Engineering College [2014-2015]
- As Professor of Mathematics in RCC Institute of Technology [2015 -2019]
- **Area of Specializations**:

Topology, Real & Complex Analysis, Abstract Algebra, Number Theory, Discrete Mathematics, Mathematical Logic & Proof Theory

- **Thrust Area of research:**

Topology, Number Theory, Coding Theory, Vedic Mathematics

- **Publications**:
- **Research Publications:**
  International 12, National 8
- **Books Publication**
  Engineering Mathematics- New Central Book Agency
  Euclidean Geometry—Bani Mandir publications
  Higher Secondary Mathematics- Bani Mandir publications
  Discrete Mathematics [In press]
  Mathematical Logic & Proof Theory [Manuscript Prepared]
  Bengali Novels**:**

1. অর্কমণির গ্রহন মোক্ষ
2. নকশি-কাঁথার রহস্য

The university has approved publication of a series in the name and style as "MAKAUT Mathematics Foundation"-10 volumes The first one is on 'Differential Calculus'

- **Scholarships Received**
- UGC Jr research fellowship
- **Awards Received:**
- Global Expert in Mathematics by OMICS International

- **Major contribution to the academic world:**
  - Participated in Accreditation process both at AJC Bose College and MITS University.
  - Experienced in building up Academia at other States for Techno India Group.
- **Present activities:**
  - Working as teacher in the department.
  - Preparing Study materials
  - Guiding projects classes.
