- Legislative Update | Capitol Advocates, Courtney Saunders
  - Senate Bill 328-Career Explorations for CT in Middle School. Passed the Senate and moved to the House.
  - Senate Bill 19-started out as assessment language and higher level Math. An amendment was added regarding CTE and homeschool students providing them with part time access to CTE without financial compensation. It also allows for patriotic

youth organizations to present in schools. This will become law.
    - A Compact Bill being heard in the House is the transportation network bill allowing districts to engage in contracts with transportation companies. Safety and liability issues are a concern
    - Senate Bill 156- Success Sequence Bill: Allows districts to offer, within their health curriculum, instruction for completing high school, finding a job and marrying before having children.
    - Property Tax reform issue is defunct for 2026. The issue lacked sufficient signatures.

- **Networking | Katrina Myers**
    - Goal is to connect everyone, especially new administrators in CTE
    - A goal is to add a network component following the virtual meetings.
    - The goal is to send out a survey about Shoemaker in order to help make connections.
    - We will not be meeting at Embassy Suites in spring 2027
