At Home Learning Ideas with WeVideo

WEEK 1

MON	Go for a walk. Create a video journal of things you noticed.
TUE	Create a Book Talk to a fiction book you're currently reading.
WED	Build something from a cardboard box. Record along the way and make a fast motion picture.
THU	Create an Explainer Video. Use props from outside.
FRI	Take pictures of new plants budding outside. Take a picture everyday so that you can make a video of it's progress from sprout to bloom.

WEEK 2

MON	Find a recipe. Change it. Bake something new and create your own cooking show video.
TUE	Pretend you're running for President. Create your plan. Create a video commercial ad for your campaign.
WED	Create your own podcast. Invite a parent as a guest.
THU	Create different mosaics using dry food or household materials. Curate your very own art gallery video.
FRI	Travel anywhere you want by putting yourself in a video or still image using the green screen feature.

WEEK 3

MON	Read a biography of a historical figure. Create a historical documentary movie about this person.
TUE	Make ice cream in a bag. Create a video and add this to your Cooking Show Episodes.
WED	Learn a new card game. Create an explainer video and post to YouTube.
THU	Take pictures of trees. Create a photostory.
FRI	Dress up as your favorite fictional character. Act and record it.

WEEK 4

MON	Invent something using only toothpicks and glue. Create a commercial as if you're selling your new invention.
TUE	Run to the mailbox and back. Calculate avg speed. Create a fast motion video.
WED	Create an alternate ending to your fiction book. Create a movie trailer of this new ending.
THU	Create a music video with a family member or friend
FRI	Create a stop motion video using toys or legos.
