

Implementation Plan

Provider/curriculum area:

Area: 1 Recruitment

Aspect: 1.4 Transition

Element [This may include one <i>Element</i> or two or more closely related <i>Elements</i> .]	Gold Standard intended impact: [Distilled or copied from <i>Quality Standards</i> .]
1.4.3 Tasters and trial sessions	

We will know if we are achieving our intended impact by measuring:

Initial **larger-than-life** ideas to achieve the Gold Standard

Idea distillation notes

The resource implications (*time, other people and/or money*) to help realise our ideas

Provider Curriculum Area:

Academic year: 2022

Aspect:			Last review date:			Next review date:				
Area/ element/s	Intention – What is our intended impact?									
	What indicators can we use to measure early progress and show we've resolved the issue?					Milestone		Target		Achieved
							Date	✓		Date
	Action – What are we going to do to achieve our intended impact?					Champion (Bld) & team (Ita)		What should we have done and where should we be by the next review date?		Diary date/s
