

#SafeSportSunday : Canva Design Links

Example media cards:

Using editable Canva designs for the SafeSportSunday campaign offers great flexibility and ease for partners/individuals. By accessing an editable template, each partner can make necessary adjustments—such as adding their own branding or tailoring/translating the message to better suit their audience—without creating new designs from scratch.

Instructions for Copying the Canva Design:

1. **Open the provided Canva link:** Click the link for either the Story or Post design.
2. **Copy to your Canva account:** Once the design opens, select “Use template” or “Make a copy” (you may need to log in if prompted).
3. **Edit as needed:** Save the copy to your account and make any necessary edits while retaining the core campaign elements.
