Art Night Status:

MB presented current art pieces- collecting from advisories- Name, Title, Date- will ask artist to see what they would like starting bid to be

MM- frames/mats?

BH- if WalMart we can try to find them-

MB will make spreadsheet of pieces- sizes- so we can have a way to find frames- PL and FH to help

BH- working on two pieces- glass and digital art

--other pieces: Andrew's art- website- ordered a Large T-Shirt with AP's BP logo, 4 spiral notebooks with different art, and 10 stickers w/BP logo on it--less expensive, but could still do auction, just set a lower price

MB- will create the live auction sheets

BH- small room does seem like a better option this year, don't know what we might get...don't want to dwarf it...also- alcohol- suggested by the district that we could set ourselves up for another news article to have an event with alcohol...options would be to continue as planned without alcohol/market at Big Picture...other route is to go through Durango Education Foundation- they would be the sponsor (not technically 9R) and turn it all over to them and they would collect money and then we would have to write grant to use that money.

SH- is there time to switch gears?

BH- probably, but would it be worth it?

MB- concern about getting the money...

MM- maybe next year...make the right contact...

BH- like this event, we have a lot of artists, do something real with what they are producing, hope this is the start of something really cool- just learning on the first one

SH- would we want to bring waters and sodas? Can parents bring in food?

MB- yes, we can do bake sale per Jenny at Powerhouse

MM- vote to eliminate alcohol
Everyone agrees---not worth the risk...
MB- will make contact with Jenny to adjust the contract/reservation
BH- Paola made the flier
MB- update on adding: Silent Auction, Fundraiser for DBPHS, Sebastian sponsor (name?)
SH- No, don't need name
MB- I'll get updated contract
MM- how do they win? How do we contact/know?
SH- how do they pay?
MB- cash or check?
MM- haven't heard back in 48 hours, next bid gets it- advertising??
BH- can get next door to get it blasted
MB- Jess created FB event on school page- share it!
MM- going to blast to social media- get more donations, FR and MM created document to give to people who donate...get fliers out
FR- can get fliers out
MM- reached out to radio stations and knows how to get those out
SH- sent the blurb from the Newsletter to Julie next door to get that out- both radio and newsletter- doesn't have confirmation yet
