NETWORK OF ACCREDITED SKILLS CENTRES IN EUROPE

Dear Colleagues and NASCE enthusiasts,

The annual NASCE Scientific Meeting held in Athens, September 8th- 9th, organized by Professor Apostolos E. Papalois and Professor George C. Zografos, we wanted to give you a brief update.

The meeting was preceded by the train the trainer course, organized and facilitated by Dara O'Keeffe (RCSI), Dilek Kitapcioglu (CASE) and Ceclia Escher (CAMST). Thirty two participants from 9 European Countries participated and their feedback was overwhelming.

During the Meeting, 200 colleagues had registered and participated in person throughout the two days, and 251 attended virtually. A great success.

During the scientific meeting excellent keynotes were delivered by worldwide experts such as E. Aksoy (CASE), E. Georgiou (Athens), K. Izzetoglu (Philadelphia), P. Hoffmeyer (SFITS,Switzerland) and others, allowing participants to learn more about Serious Game Based Applications for Medical Training, Lessons learned about implementing and surveying simulation centers worldwide, and Optical Brain Imaging to Quantify Performance and Experience in Simulation Based training for Clinical skills,
Neuroscience and Leadership. Enclosed please find the final program, also available on the NASCE website.

For the first time an abstract competition took place, twelve abstract presenters participated and shared their innovative ideas or research throughout the meeting.
