..... And count me as totally committed.

I love the idea of The Giving Club, Montrose, and am seriously committed to doing my part to keep it alive and running. I understand that the annual financial commitment is \$440 (prorated for mid-year joiners), this may be paid in full or quarterly in installments of \$110. This constitutes a \$100 charitable donation and a \$10 hospitality fee per quarter. I understand that each quarter a different to-be-determined local non-profit organization will receive a donation, the winning recipient will be chosen via ballot at that quarter's meeting, I understand if I am absent I will not be able to vote. I know and understand the meetings are held at 5:30pm on the first Monday in February, May, August and November (over by 7pm) and swear I'll enter them on my calendar immediately! If I miss a meeting I understand I must still contribute for that quarter. I understand that at meetings where I am present I will have the opportunity to submit an organization of my choosing to be selected to pitch for that evening's proceeds. Three organizations will be selected at random to pitch at every quarterly meeting. I understand that if I 'pitch' an organization during one of our quarterly meetings that I am guaranteeing that organization is a non-profit organization.
