

Africa cup of nations 2022 winner predictions, odds, picks

The secretarybirds proved their worth in a hard-fought win over gabon and they are eager to keep their 100% record at home intact. Keep in mind, though, that midfielder hashem muataz serves a one-game ban in tuesday's qualifier. When you have a set piece that can function for the entirety of a match, it is a real point of difference.

Sounds like the narrative we built around denmark at euros pre-tournament. Algeria won the 2019 version of the africa cup of nations and there's still probably a strong argument for the desert foxes as the best team in the tournament. In group e, manchester city's riyad mahrez & co. Have a slight advantage over ivory [Ghana Vs Central African Republic](#) coast and the likes of arsenal's nicolas pepe to take the top spot (45.45% to 44.93%).

As part of the predictions, we now discuss the format of the tournament, the match schedule and the latest favourites and odds. There are a wide range of bets that you will be able to place on the upcoming afcon 2021 matches. For a tournament like this, you can try your hand at long term bets.

It's important to note that morocco and mali have been the highest-scoring sides in the u23 afcon competition so far. The host nation leads in the goal-scoring category, having registered eight goals in three group matches. They've been very consistent when it comes to finding the net, scoring in eight consecutive matches across all competitions. Similarly, mali scored five goals in the group stages; they registered at least one goal in six of their last seven matches too.

The biggest name is mohamed salah, the liverpool forward who will represent egypt at the tournament. Salah is one of the best players in the world and he will be desperate to win the first international trophy of his career. Algeria advanced to the tournament showpiece courtesy of a 2-1 victory over nigeria in the semi-finals. Baghdad bounedjah scored in the second minute of the final against senegal, and that proved to be the winning goal. These experts have decades of experience working for a variety of bookmakers and we're now aiming to help punters with their betting.

They were the only unseeded team to advance through the preliminary round. In march of 2022, eritrea announced it would withdraw from afcon 2023 qualification. The nation has not contested a senior international fixture since a friendly against sudan in 2020, while their last competitive fixture was in 2019 against namibia in 2022 world cup qualifying.
