## ➤ Additional Information:

\*Brent Hiltcher has secured 100% of the funding for fireworks for Senior Night by our generous sponsors Dr. Applegate, Green & Sons, ATIG, and Dragon Lanes. No QBC funds are being spent on this endeavor. Provided all approvals are secured (was approved prior to last week's game) with school, city, fire, etc. we will have fireworks available for running out of tunnel, touchdowns, etc.

\*A group of seniors were invited to Navin to greet kids getting off the bus. It was a great success and the kids really loved it. In the future, it would be great for all seniors to visit their home elementary schools to get the kids excited and also counts as community service hours that may be needed for various designations.
