Dear Parent/Guardians:

This week, the Wallingford Public School District was notified that individuals associated with schools in our district tested positive for COVID-19. In circumstances where there were close contacts identified, the Wallingford Public School District, in collaboration with the Wallingford Health Department, initiated a case investigation and contact tracing activities to identify all individuals who may have been in close contact with the confirmed case. ***All individuals identified as close contacts were notified immediately by the building administration or the school nurse.***

To find more information on the cases reported to the State of Connecticut by our district, you may go to the following links.

NOTE

If you get your child, 12 or older fully vaccinated (2 shots with the Pfizer vaccine) for COVID please provide documentation to the school nurse. The school nurse will keep a record of vaccination in the student health record.

The following is the information for the week starting Saturday, June 5, 2021 and ending Friday, June 11, 2021.

There were no confirmed cases reported from Saturday, June 5, 2021 through Friday, June 11, 2021.

The Wallingford Public School District and Wallingford Health Department will continue to work cooperatively to ensure that all Contacts have information on how to protect themselves and others. Information related to case investigations is confidential and private health information will not be disclosed by the Wallingford Public School District and Wallingford Health Department.

The Wallingford Public School District and Wallingford Health Department are committed to maintaining a safe environment for students and staff. We continue to proactively monitor illness of students and staff, apply cleaning protocols, and social distancing practices. We will continue to review the circumstances of this case and will make any necessary adjustments in our plans.

The safety of our community is our priority. School officials are monitoring this situation and will continue to keep you informed of any changes or additional information.

We appreciate your support and understanding in these challenging times.

Sincerely,

Salvatore F. Menzo, Ed.D.
