

ST. CHARLES
EDUCATION FOUNDATION

2026-2027 STC ED GRANT PROPOSAL APPLICATION

District 303 (D303) provides area students with one of the finest teaching staffs available in public education. It is the goal of the St. Charles Education Foundation (STCEF) to provide funding to allow talented professionals to utilize their abilities to meet the challenges of educating today's students. To facilitate this goal, we invite educators and students to submit grant proposals for consideration to the Foundation Board.

Special consideration will be given to **innovative projects** and to **pilot programs** that have the potential for expansion, adoption, and application throughout D303. Determination of funding will be made after careful deliberation by the District Senior Leadership and action of the STCEF Board.

This is an opportunity for you to make a difference in education and to help your school district reach its identified goals. We look forward to your ideas in the quest for excellence in education!

GRANT APPLICANT TERMS of AGREEMENT SIGNATURE FORM

PLEASE READ CAREFULLY BEFORE SIGNING

Upon awarding of funds by The St. Charles Education Foundation, I/we agree to:

1. Inform the STCEF in writing of any changes in job assignment affecting this grant. The STCEF will review any grant where there is a change in assignment of the grant applicant. The Foundation may also elect to withdraw the grant, let the grant remain at the building or let the grant go with the grant applicant to a different assignment. It will be determined, as to the best interests of the students in each situation.
2. Expend these funds only on the items described in the proposed budget to accomplish the objectives described in this application.
3. Inform the STCEF in writing of requested changes in materials, actual costs or ability to complete the project as specified. Requests for changes in budget must be reviewed by the STCEF Board of Directors.
4. Submit a short video that can be used for publicity or attend the Annual Meeting held in November to share the project and results or send a designated representative.
5. Publicize the award and the Foundation via social media (e.g., Twitter, Instagram, Facebook) and other communication methods of your choice (e.g., classroom newsletter, email blasts, etc.)
6. Return any unexpended funds to STCEF upon completion of the project.

The services and/or products described in the attached proposal are in accordance with the terms and conditions of the Grant Proposal and upon execution by the properly authorized representatives of STCEF shall constitute the terms and conditions of a contractual agreement between STCEF and Community School District 303. This agreement shall be immediately in effect and may not be altered without the express written agreement of both parties.
