3. Council 50th Celebration Announcement

- We will be celebrating Council's 50th anniversary in the fall instead of the previously planned date of this Friday
- A lot of great ideas have been laid out such as the timeline and guest speakers but we all got busy and tired and the event didn't come to the level of implementation that we need to have a really successful and all school-inclusive celebration
- We will holding the celebration in the fall when we will have the time and energy to include everyone

Point of Information

- This update means that the event that was supposed to happen on Friday has been moved to the Fall

4. Student Life Bylaw Revision [Student Life Committee]

- Debate on Motion [continued from a previous meeting]
- This motion was debated thoroughly during a Student Life meeting so [speaker] urges the next speaker to close debate

Debate Closes

Point of Information

- Motion requires $\frac{2}{3}$ vote to pass
- If someone would like to request a roll call vote a $\frac{1}{3}$ vote to do so is required

Motion Passes (Hand Count Vote - $\frac{2}{3}$ majority to pass)

5. Notes and New Business

- The academic dishonesty policy was passed a while ago which seemed to be pretty heavy handed including reports to colleges
- [Speaker] was not a fan of this motion originally and is wondering what the impact has been
 - Wondering if the administration can speak to this
- Interesting point - Does anyone know the current rules?
- One of the rules is that if someone commits academic dishonesty it is reported to their colleges
- [Speaker] has dealt with a number of issues this year
 - Doesn't feel like the process is diminishing

- Most students usually only have one issue so they are able to go through restorative practice
- Most students usually opt to go through this practice, avoiding the consequences including the report to colleges
- A few students have had more than one issue of academic dishonesty so they do not end up having the option of going through restorative practice
- These students usually go through the practice anyway to make sure that the issue is cleared up
- [Speaker's] concerns are alleviated now that they know about the restorative practice option
