

Speaking activity:

10 Things

In 10 things, you have to race to think of 10 things that you might need in a certain situation. 5 are countable nouns while the other 5 are uncountable. Some examples of situations you could include are:

- English class
- At the beach
- Hiking
- At a music festival
- Picnic
- Party
- At the gym
- On a trip (traveling)

For example:

For English class, students may need to bring a pencil, pen, eraser, textbook and dictionary. They may also need some water, air to breathe, common sense, knowledge, etc.
