

The Outsiders Play Synopsis

While the Socs appear to have everything, the only thing a Greaser has is his friends. As these young people try to find themselves and each other, as the sadness of sophistication begins to reach them and their battles and relationships reach a resolution, Ponyboy's dying friend, Johnny, sends him a last message . . .

"I've been thinking about the poem that guy wrote. He meant you're gold when you're a kid, like green. When you're a kid everything's new, dawn. It's just when you get used to everything that it's day. Like the way you dig sunsets, Pony. That's gold. Keep it that way. It's a good way to be."

This is a play about young people who are not yet hopeless about latent decency in the midst of struggle.
