

CSS Code

```
#masthead .site-header-menu {  
  z-index: 9999;  
  background: #fff;  
}
```

```
#masthead .site-header-menu.is-stuck {  
  position: fixed;  
  top: 0;  
  left: 0;  
  right: 0;  
}
```

```
.admin-bar #masthead .site-header-menu.is-stuck { top: 32px; }  
@media (max-width: 782px) {  
  .admin-bar #masthead .site-header-menu.is-stuck { top: 46px; }  
}
```

JS Code

```
(function () {  
  const menu = document.querySelector('#masthead .site-header-menu');  
  if (!menu) return;  
  
  const sentinel = document.createElement('div');  
  sentinel.setAttribute('aria-hidden', 'true');  
  menu.parentNode.insertBefore(sentinel, menu);  
  
  const stuckClass = 'is-stuck';  
  
  const onChange = (entries) => {  
    entries.forEach((entry) => {  
      if (entry.isIntersecting) {  
        menu.classList.remove(stuckClass);  
        document.body.style.paddingTop = "";  
      } else {  
        menu.classList.add(stuckClass);  
        document.body.style.paddingTop = menu.offsetHeight + 'px';  
      }  
    });  
  };  
  
  const observer = new IntersectionObserver(onChange, { threshold: [0] });  
  observer.observe(sentinel);  
})();
```
