

ENG260 - What's the problem and how can I fix it?

If there are still error comments on your Photo Descriptions that you don't know how to fix, submit a maximum of two below. Write the complete sentence that contains the error. Please submit these by 6pm on Monday March 27.

Name	Sentences that need to be fixed
반기문	I decided not to running for president because it give me big headache.. When I living in New York, I used eat many excellent restaurants.
고병헌	I stood behind them with putting hands on their shoulder.(NS) The interview was quite impressive because he told us his life story like how he became an actor and behind story about acting. (WO)
	I stood behind them with my hands on their shoulders. ...because he told us his life story, like how he became an actor and behind-the-scenes stories about acting.
김서현	My maternal grandparents have a special meaning to me as they raised me until I was seven years old which would have been a challenge for them.
	...which was a challenge for them (or) ...must have been a challenge for them.
Nigina :)	1)it was the best day and I got touch. 2) I do understanding how she took care of me and was so sweet and still.
	It was the best day and it was touching (or)... I was really touched. I do understand how she took care of me and was so sweet and still. 'do' adds emphasis - as opposed to "don't understand". I'm a bit confused by 'and still'. Do you mean she didn't move much?
이한솔	1. The place was Jangsan Ashely which is the cheap buffet. In this reason, we couldn't see each other because we took lesson one on one. Therefore the teacher provided the chance to meet other classmates and get on with them.(U) 2. I had same dream such as hers so we became intimate while eating.(A/PR)
	For this reason.....meet other classmates and get to know them. I had the same dream as her, so we became close while eating. or My dreams were the same as hers...

<p>임평강</p>	<p>1.The mountains are located in the farthest distance from the picture, and there are not many, but some tremendous trees on the woodland paths located in front of the mountain hills. (NS - from)</p> <p>2. I can tell this place as many strange, unfamiliar, and weird creatures' residents, but, of course there are some familiar creatures that we know, even though not in that deep. (WC - tell / U - not in)</p> <p>3. For example, it is almost same situation as this: (U - same)</p> <p>4. It was my first time to perform without booking the place and got some tips from audiences.(NS - booking the place and got some tips from audiences.)</p>
	<p>1. Mountains can be seen in the distance (or background of the picture). In front of the mountains, there are a few (about a dozen) tremendous trees on woodland paths.</p> <p>2. I could see that that this place had many strange, unfamiliar residents, but of course there were some familiar creatures as well.... strange and weird are redundant familiar...that we know are also kind of redundant. even though not in that deep.... (grammatically) > although not that deep. In terms of meaning, I'm not quite sure what you're saying with that last phrase.</p> <p>3....., it is almost the same situation as this.</p> <p>4. ..first time to perform without booking the place and get some some tips from the audience. (or from listeners)</p>
