[Add files](#) [Add from URL](#)

Accepts images, videos, or 3D models

A screenshot of a confirmation dialog box. The dialog box is white with a thin grey border. At the top, it says "Delete 2 of 2 files" in a bold, dark grey font. To the right of this text is a small "x" icon for closing the dialog. Below this, the text "This can't be undone." is displayed in a smaller, regular dark grey font. At the bottom right of the dialog, there are two buttons: a "Cancel" button with a grey border and light grey text, and a "Delete" button with a solid red background and white text.
