

The University of Lahore

Final Project External Advisor Form

Department of Software Engineering

Dear Sir/Madam,

Greetings from THE UNIVERSITY OF LAHORE!

One of the requirements for all final year students of BSCS/MCS/M. Sc-IT program is the submission of project work assessment which is a major component of virtually all under graduate and graduate programs within the university. For students to excel in project work/thesis is a foremost accomplishment which can be achieved successfully with the help of an internal/external advisor.

The students may choose their own external advisors with the consent of the department but in this case the department would like you to please fill in the desired information below for our record.

To be filled in by the External Advisor
