When are tickets given out?

Tickets will be given out immediately after graduation practice on the 4th. **Each graduate will receive 5 tickets for graduation.** This year we have one of the largest graduating classes that we have had in recent history. It is a testament to the class of 2026's hard work and dedication that we have so many graduates. We understand that many of you filled out the extra ticket request form, however we are unable to offer any extra graduation tickets at this time because of space limitations. Should tickets become available, we will begin honoring the extra ticket requests. You will be

notified via email. Until that time, if you need additional tickets please ask around for other peers who may not need all of their tickets. Please be aware that every person entering the event must have a ticket. This includes babies and small children.
