

NAME: GRADE: SCHOOL:

BADGE START DATE: PROJECTED FINISH DATE: TEACHER INITIAL:

Bald Eagles Exploration Badge

These raptors are most famous for being the national bird and symbol of the United States. Bald eagles have brown feathers with a white head, a white tail, and a yellow beak. They also have large strong talons on their feet. Explore eagles to earn this badge.

Gr 3 → 3 projects Gr 4 → 4 projects Gr 5 & 6 → 5 projects

Project 1:

Watch this YouTube video about Bald Eagles and answer the questions in complete sentences.

<https://www.youtube.com/watch?v=ttlqfQifOAI>

Stop the video and rewatch as needed to help you collect accurate information.

3 words used to describe the eagle:

Where is the nation's bald eagle capital? Why are there so many eagles there? Describe the location.

Would an eagle attack a human? Why or why not?

Describe what Charlie learned. Where are eagles and why are they there?

	Why do eagles migrate?
--	------------------------

Project 2:

Read the article and
answer the questions.

[https://kids.nationalgeographic.com/
animals/birds/facts/bald-eagle](https://kids.nationalgeographic.com/animals/birds/facts/bald-eagle)

Explain the basic facts from the green fact card on the page
(weight, size, diet, life span):

Compare and contrast males and females:

Share two interesting facts about eagles:

Project 3

Read the Fact Sheet from

PBS

<https://www.pbs.org/wnet/nature/blog/bald-eagle-fact-sheet/>

As you are reading, record at least 3 pieces of information that you didn't already know. If there are not 3 new items on this sheet, do research to find 3 new eagle facts.

1.

2.

3.

Project 4

Explore Eagle Species

<https://www.birdlife.org/news/2009/06/24/list-eagle-species/>

1. There are over 60 other eagle species. Look over the different names.
2. Create a visual outlining eagle species and the different types. You do not need to include every single one, but have examples and descriptions for each of unofficial classifications.

- Fish-eagles
- Hawk-eagles
- Buzzard-eagles
- Snake-eagles

Project 5

Create your own info sheet.

<https://drive.google.com/file/d/18anMXqIV9SQ3ZLHnXdgbXI38OBabxTaZ/view?usp=sharing>

Study the bird info sheet example carefully.

Research an eagle species that is new to you and create your own bird info sheet the mirrors the sample.
