Gender:

Female

Name:

Rogue??

Age:

Around.. 14? 15? 13?

Gear/Loadout:

Dons some of a western costume, wearing a longish gray vest, white button down shirt, belt, brown/tan jeans, and a black bandana, which she doesn't really even use as a mask, giving that she doesn't have much of an identity that can be hid, there aren't many reptile people out there.. She got the outfit at a thrift store.

Uses a "Modified" wooden baseball bat. It has half of the top broken off, giving it a bit of a sharp-ish edge, and is covered in nails and screws.

Fighting Style:

Chaotic Violence. “Just punch. If that doesn’t work, Punch harder. Maybe kick them, Idk I just kinda beat them up.”

Throws furniture, can throw enemies too.

Tactics:

Not much really...

Psychological profile:

Sleeps almost as much as melony from smg4.

She has complete retrograde amnesia of all things before the experiments. She has a completely different personality than Jen, alongside habits and memories. She is unable to turn back to a human form. Head of the ship of theseus? Yeah..

That's gonna cause issues...

But she doesn't exactly know any of that yet..

Rogue likes to do art, which is nice, and often watches wrestling matches.

Rather grumpy at times, but generally somewhat cheerful. Loves cats.

Oftentimes makes bad jokes with sketchy, oftentimes annoying Rex.
