

Dear Families,

This is your child's **"Baggy Book"**. This Baggy Book will **go home** with your child **every night** and should come **back to school** with your child **every day they are at school**. Baggy books will go home Monday-Thursday. Books will not be sent home on Fridays. You will sign a reading log form next to the title of the book they read each night. These books will be appropriate for your child's current reading ability and will grow as your child's ability grows.

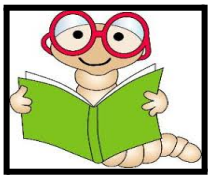

Ways to support your child: Read the book to your child first, have your child point to the words while you read then have your child read it back to you, have your child tell you what is going on in the pictures, discuss ways to problem solve difficult words (use a picture clue, sound out the letters, etc.), have your child act out the different parts of the book, have him or her tell you what happened in the beginning, middle, or end of the book, tell you about what he or she learned or his or her favorite part, etc. Please use the attached "How to Help Your Child with Reading Skills" list to help your child with print skills. These are the skills students will be assessed on first and need before they begin to "read".

Your children are eager to learn and are enthusiastic about becoming readers and writers! We are so excited to be a part of this learning experience with all of you. Please continue reading with your child every night to support him or her during this fun-filled adventure! Thank you for your support!

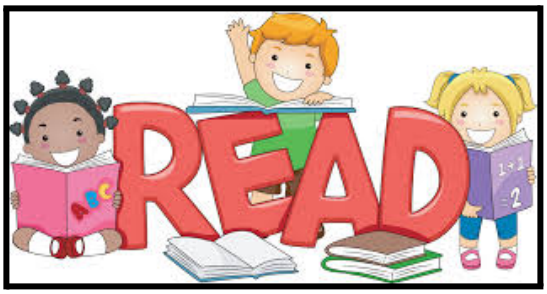

Children are made readers on the lap of their parents.

Mrs. Dancy and Mrs. Parker

Estimada Familia

Esta es el **paquete de libros** que su hijo/a llevara a **la casa todos los dias para leer todas las noches.** Estos libros tienen que **regresar a la escuela todos los dias.** Los libros **seran cambiado** toda la semana (**Lunes**). Favor de **leer los libros todos los dias.** Esto ayudara a su hijo/a a avazar en su grado de lectura.

Manera de ayudar a su hijo/a

Deje que su hijo/a lea el libro primero. Su hija/o puede mirar las fotos y describir lo que ve. Su hijo/a puede tambien leer las palabras en el libro. Si su hijo/a termina todos los libros el o ella puede leerlo otra vez y buscar mas informacion. Preguntele a su hijo/a sobre el libro. ***De que se trataba? Quienes eran los personaje en el libro?. Donde estaban?***

Su hijo/a tiene mucho interes en leer muchos libros y ser unos lectores de primera. Esperamos que sea una experiencia majica y de mucho aprendisaje.

Children are made readers on the lap of their parents.

Gracias ,
