

Forty Mile

The **first** location on the Road to Dawson. There is full access to HOME storage in the tent. You can make frog sausages in the fire pit. Complete the quests, find 4 boxes and build the tunnel.

Contract

Here you will find all the tasks that must be performed on the land before you can move forward. There are also [quests](#) for Forty Mile

1. Complete the quests.
2. Find 4 boxes of supplies.
3. Build the tunnel.

The reward for the completion of the contract:

The billboard shows the railway route. When you return home find it in your

on your land.
As you complete the lands, apply the map pieces to the billboard

storage and place it

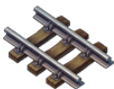

You will need to click on the contract and close it before you can travel through the tunnel (contract is on the right side of your game screen). Once you travel through the tunnel, **Forty Mile will be available for 24 hours then it will close and you can not access it again!**

Millstones: - Made in the Cottage. Buy the cottage in the Market - Buildings - Factories

Rails - Made at Wind's Song

This is the only Railway land with a set of quests. All future lands have contracts only.

The Quests:

1 Important Message

Clear the tunnel and build the railway on your Home Station.

2 Camp 40 Mile

Travel to the first location: 40 Mile.

3 Stock

Find the tent - this is where your storage is - note you have access to home storage. Sell items from storage.

4 Chief Engineer

- a Remove 2 bushes
- b Find the engineers house
- c Open the box with the engineer's drawings

5 One Step Closer

Talk to the Governor - you will find him in front of the cottage near the fire pit.

6 Guide Needed Urgently

Talk to the guide (the Inuit by the Wigwam at the tunnel entrance)

7 One Hundred Percent Ready

Talk to the Governor (again) and receive the contract.

8 It Is Done

Build the next tunnel entrance and continue to the next land.

Remember, once you travel the next land this one will close after 24 hours

Clearing Reward: Gift Box
