

# **MAKE 3 CALLS FOR NEW YORK FOR ALL AND DIGNITY NOT DETENTION NOW!!!**

With action on immigration currently stalled in Albany and the Governor backsliding even further from our goals, we must turn the pressure up for New York for All and make clear that temporary half-measures won't cut it!

**PLEASE MAKE 3 PHONE CALLS: to the Governor, Senate Majority Leader Stewart-Cousins and Assembly Speaker Heastie! Contact info below!**

[If you have time to call your own legislators, that is always helpful, but State Leadership is top priority right now.]

You can call during off hours and leave a message – your call will be counted by each office as supporting urgent action against ICE.

## **Here's the SCRIPT:**

### Governor Hochul:

“Hi, my name is [NAME] and I'm calling to urge Governor Hochul to support the New York for All Act ([S2235/A3506](#)) and the Dignity not Detention Act (S316/A4181) and ensure that both of these bills be signed into law as soon as possible. [My Indivisible group NYCD16/15 just joined more than 75 Indivisible groups across New York State in urging the Governor to make sure that New York for All gets signed right away.]

Our immigrant communities and all New Yorkers deserve protection from the horrors and abuses of ICE and Trump's violent detention and deportation agenda. And our state must not be in the business of caging our immigrant neighbors for profit. I urge Governor Hochul to support Dignity Not Detention and New York for All immediately and in its entirety. Her Local Cops Local Crimes agenda is not enough, and I am dismayed to see the Governor move in the wrong direction with a proposal that collusion can be based on probable cause, incentivizing mass racial profiling and undermining due process! We need real protection. We need New York for All! Thank you.”
