Telephone (B): 860-833-6976

E-mail: tinkerbeltx1@gmail.com

May 2024

Date of Grant: _____

Sources of Funding:

If other funding available, please state: Donation of \$100.00 from club

On a separate sheet of paper, provide a brief paragraph for each section below:

1. Indicate how funds were obtained for the program.
(Indicate fundraising events, support by Altrusa Club and community involvement)

Funds were obtained for this project with a grant from Altrusa International Foundation and a contribution from Altrusa of North San Antonio. We have an annual bunco night to raise money for our club budget.

2. Explain how the program was conducted. Unfortunately, our project hit a roadblock and wasn't completed before school ended. One of our main contributions to the school community was the

installation and maintenance of a Little Free Library for the school campus. The principal requested installation 4 months ago to the school district maintenance department, but it has not been done as of this report. The LFL was delivered to school in April. **I will send pictures in an email once this is completed.** As stated in my midyear report we have worked in the food pantry and clothing closet. In the winter we had a book giveaway during parents' literacy night. It was very successful. Altrusans participated in the book give away, collecting the books and applying stickers that said "Donated by Altrusa of North San Antonio and our email address. Since the mid-year report new and used books have been purchased with grant funds, collected by members and stickers applied by numerous Altrusans. We are waiting patiently for the library to be installed. Since the mid-year report, we continued to help with the food pantry, buying snacks for students and organizing the clothing pantry. Two to four Altrusans needed to help with these duties every couple of weeks.

3. Explain how the program was evaluated. We were unable to track the number of books taken from the LFL because it wasn't installed YET! The teachers and librarian and teachers could not report of students' involvement. We heard very positive comments from the principal, vice principal, social worker, school counselor, teachers and parents visiting clothing closet, food pantry and classroom snacks.
4. Describe any recognition your Altrusa Club or project has received. Attachments of documents, newspaper articles, social media, and/or pictures are highly encouraged. The Northside ISD holds an annual Outstanding Partner event. Mary Michael Elementary School nominated our club as a Northside ISD Outstanding Partner for the work members completed in their food pantry, clothes closet and book giveaway. A reception was held in conjunction with the event. Three Altrusans attended. Mary Michael Elementary School staff also held a continental breakfast in May to thank volunteers for their service within the school. Two Altrusans attended. Once the LFL is installed it will be announced on the school website and announcement board.
