Summer Kindergarten 2022

The **Summer Kindergarten Program** for incoming Kindergarten students will be held during the month of July. The program will introduce our incoming kindergarten learners to the kindergarten experience and help them to begin to feel comfortable with a typical kindergarten day. This experience also allows the students to become better acquainted with the McGovern School.

The program will run two times during the week of July 11-15, 2022. There will be a morning and afternoon session.

Experiences for the week will included:

1. Literature based explorations
2. Readiness activities and games
3. Introduction to our Morning Meeting time and Social Thinking programs to build a classroom community of friends and classroom/school routines and expectations
4. Introduction to Word Study, Reader's Workshop, Writer's Workshop, Math and Science
5. Arts and crafts to develop fine motor skills
6. Outside play on the playground
7. A mini bus orientation and snack time in the cafeteria on Friday!

We are offering this program on the following dates:
