

"I'm a very strong believer in listening and learning from others."

—RUTH BADER GINSBURG

Gratitude Givers Advisory Board

Who: A group of thoughtful, generous people who have big hearts, a willingness to give, an understanding of the power of collaboration of ideas and collective funds, and who want to support Gratitude Generation's mission of inspiring gratitude in future generations through education and service.

What: As a member of the Gratitude Givers Advisory Board, you gain insight into g2 signature programs, brainstorm ideas to elevate or expand programs, and vote on one program per quarterly meeting to be funded by the compounded monetary donation of the group.

Why: To build more expansive programs in order to serve more people and increase program impact for both the participants and the recipients. To contribute your ideas and insight on g2 programs, plus create an opportunity for you to become more intimately knowledgeable and involved with g2.

How: A \$125-quarterly donation per Gratitude Giver Advisory Board member. Combined with the other Gratitude Givers' donations, this collective donation will make a large impact on funding a g2 signature program – the power of collective funds and impact. Donations can be made through our online portal (CC and ACH), through a DAF, or check in the mail.

When: A 1-2 hour meeting, 4 times a year, one-year commitment: July, October, January, April

Where: Choose which location is closer to you: Deerfield or Hardwood Heights

The Gratitude Givers Advisory Board will extend Gratitude Generation's reach into the communities it serves. It will provide a unique opportunity for its members to influence programming while coming together with the power of collective and compounded funding to make a meaningful impact.
