

**Welcome to Willamette Quarterly Meeting's Spring Gathering!** Friday May 15th to Sunday May 17<sup>th</sup>; Camp Lutherwood, 22960 OR Hwy 36, Cheshire OR 97419.

Our theme this year is *"Lead With Love: Create possibilities, Discern leadings of the Spirit; Act with the power of love."* What might happen if we put LOVE in the center of our lives: love of family, love of friends and community, love of nature, love of God, love of life? What could be possible? We will interweave these ideas into an engaging program that encourages us to think, feel, interact with others and listen to the leadings within us. We hope you will set aside time from your busy lives to join us in this beautiful forest retreat. Families are welcome, children and youth will have fun activities too! Camping in tents and RVs is available, as well as housing in cabins.

Online registration opens Wednesday April 1 and closes Wednesday April 29. Go to [www.willamette.npym.org](http://www.willamette.npym.org).
