Title

Abstract (600 words minimum and 1200 words maximum)

This document describes the format of long abstracts submitted to the 12th Senses & Sensibility'23 (S&S'23), Design and Complexity, organised by UNIDCOM/IADE and Universidad de Malaga, in Lisbon and Malaga on the 28th November to 1st December 2023.

The long abstract gives a brief summary of the report which includes: the objective or problem under study, the instruments used, the brief overview of the methods or procedures used such as (the data-gathering techniques, intervention procedures), the summary of the major findings or results of the study and conclusions reached by the researcher.

You must submit your paper electronically in PDF document format to EquinOCS platform.

We only accept contributions written in English. In case of acceptance, the Oral Presentation should also be made in English.

All proposals undergo double-blind review. Therefore, DO NOT include author or institutional information in the initial proposals. If your proposal is accepted, you will be instructed to add authors' names and affiliations in the final draft for publication.

If your proposal is accepted, you will have an opportunity to update it as long paper for publication in the conference proceedings or as book chapter in a volume to be submitted to Springer.

Keywords (5 maximum)

The abstract should be followed by no less than three but no more than five keywords.

References (APA v6)

A bibliography should be placed at the end of the text, listed alphabetically by the surname of the first author.

Do NOT number references.

Hanging indentions are preferred, with no additional spacing between references.

Citations in the text should contain the author's surname and year of publication in parentheses (e.g., Johnson, 2012).

Use APA style, v.7., of referencing. For more information, consult the APA Publication Manual (7th edition).

We recommend using reference management software for your references and bibliography, such as Zotero, Mendeley or EndNote.
