

Hi Santiago,

I saw your profile on Instagram and was really struck by your very professional and attractive design. Upon visiting your website, I realized that you could be losing up to 40% of potential customers due to the lack of an effective landing page and a clear CTA.

With just 5 tweaks, I'm sure you could attract and convert more customers who are looking for exactly what you offer. I'd love to help you capture that opportunity right in front of you.

Would you like me to send you a free proposal to improve your landing page and create a strategy that will boost your business? I'm convinced we can do great things together.

Can we schedule a call this week to talk about this?

Regards,
Arian
