

LIST OF ADD-ON COURSES FROM COURSERA

- **Cloud Computing Foundations**
- **Cloud Infrastructure & Applications**
- **Cloud Networking**
- **IT Fundamentals for Cybersecurity - I**
- **IT Fundamentals for Cybersecurity - II**
- **Cybersecurity Applications**
- **Data Science Foundations**
- **Big Data Integration and Management**
- **Applied Data Science**
- **Web and Application Development**
- **Application Development - Tools & Technologies**
- **Cloud and Application Development**
- **Internet of Things and Cloud**
- **IoT Technologies and Applications**
- **Programming Internet of Things**
- **Digital Signal Processing**
- **Active Optical Devices**
- **Optical Engineering**
- **Python Programming**
- **Machine Learning Techniques and Applications**
- **Deep Learning**
- **Robotics: Motion Planning**
- **Robotics: Mobility & Design**
- **Robotics: Applications**
