

Samara Kelly

Samara Kelly started her college career at Utica College on a softball scholarship. Eventually, she transfer to Marist College in order to study communications and TV/film. At Marist College, she was given many valuable opportunities. One such opportunity was to go abroad to Italy. She credits this experience with helping her learn how to become an adult. She has worked on several iconic Marvel movies including Iron Man 3, Thor 2, and Captain America 2. She has also collaborated on commercials with famous companies including Nike and Cheerios. In her spare time she operates a non-profit called Rocky Strong.

Key Points from Samara:

- Don't stop learning, always be reading
- Everyone has to start at the bottom & work your way up
- Be kind and work hard
- Be involved & give back to your community
- Stay true to yourself
- Take risks & always follow your passion
