The screenshot shows a mobile application interface. At the top, there's a header with 'More Options' and a hamburger menu icon. Below this is an advertisement for 'Epic Games Await!' with a 'PLAY NOW' button. Underneath is another advertisement for 'Looking for Fast & Affordable Proxy Servers?' with a 'Try Now!' button. The main section of the app is for configuring a proxy. It has four input fields: 'Proxy Host' with the value '103.67.198.238', 'Proxy Port' with '22507', 'Username' with 'sp08v2-22507', and 'Password' with 'OFLCD'. Below these fields is a blue button labeled 'START PROXY SERVICE'. At the very bottom, there's a green button with a yellow 'X' icon and the text 'REMOVE ADS / INSTANT CONNECTION / ALWAYS ON VPN'.
