

Clarksburg High School

2022 Scholastic Aptitude Test (SAT) School Day

Attention 11th Grade Students and Parents,

The Scholastic Aptitude Test (SAT) is a national exam issued by the College Board. It is used to measure high school learning and to predict college success. Content includes reading, writing and language, and mathematics.

Montgomery County Public Schools (MCPS) plans to offer the SAT during the school day on **Wednesday, March 23, 2022**.

- **Who is participating?** ALL Grade 11 students will be automatically registered to participate
- **When will the test occur?** March 23, 2022
- **Cost?** No cost to any Grade 11 students
- **What if I chose virtual learning?** Students and parents/guardians will be able to participate in the assessments at their home school regardless of their enrollment in Virtual Academy.
- **Am I required to take the SAT?** All Grade 11 students are expected to participate based on the Maryland College and Career Readiness Act of 2013.

During the SAT administration your child will have the opportunity to participate, with your consent, in the optional Student Data Questionnaire. More information can be found about the Student Data Questionnaire on the consent form. In order for your child to participate in the optional Student Data Questionnaire, you must return a signed consent before the SAT administration. Whether or not you consent for your child to participate in the optional Student Data Questionnaire, your child will still be able to participate in the SAT School Day. To access the consent form, please follow the link below. You will be able to submit the form online or you can turn in a printed and signed version to Room 157 either before school or during lunch. **All Questionnaire forms are due back by March 9th.**
